

# The Son is shining on God's Big Backyard!

Vacation Bible School was a true success as we had so much fun in God's Big Backyard learning all about service...service to our families, our friends, our neighbors, our community, and to our Lord! We met 114 kids throughout the week, we averaged 92 every day with 95 in attendance Friday! 72 children had perfect attendance! Out of this group of children, we served 62 children from PUMC, 28 children from churches around the community, and 24 children we look forward to continuing to minister to along with their families. Thank you again to our congregation for your prayers and support, to the many adults and youth who spent last week at the church helping, and to the families who participated in this event!
