YOUTH CAMP!

YOUTH CAMP 2008

The youth are leaving this Sunday, July 6, to experience an incredible week of worship, fun, and fellowship! The theme for the week is focused on reaching out to friends and strangers, “One Fish, Two Fish: Becoming Fishers of Men” Students need to meet at Perry United Methodist Church at 2:00 on Sunday, and will be shuttled over to Indian Springs State Park! We are all very excited for this week, be in prayer as these students are going to encounter new truths about God, faith, and each other, as we learn how to become good Fishers of Men!

Leadership Retreat

We have not had much time to discuss the leadership retreat with the youth yet, however, we still plan on having this retreat August 8 and 9. These dates are not yet set in stone, because this is a trip which it is important that everyone who wants to go is able to come. This week’s trip is also only for rising freshman through rising seniors in MYF who have a passion to become consistent and involved leaders of this group. We will have a later retreat for Middle School students who have this same passion for leadership roles. Please email Kyle Kuhn, kuhn5251@gmail.com with any questions or schedule conflicts! Thank you!

No UMYF this Sunday because of Youth Camp!
