Leadership*
*Retreat

Please continue to give me insight and information on your scheduling conflicts for August 8 and 9. **Remember, this trip is only for rising freshman through rising seniors in UMYF** with a passion to become consistent and involved leaders of this group. We will have **a later retreat for Middle School students** who have this same passion for leadership roles.

Please email Kyle Kuhn, kuhn5251@gmail.com with questions and schedule conflicts! Thank you!
