YOUTH CAMP 2008

So far Youth Camp has been a wonderful success!! We have played a great variety of games, and the competition is getting pretty intense! We have gotten messy, sweaty, grimy, and drenched, but the LORD is here with us! The kids are really getting into their Bible Studies and are worshipping the LORD with all of their might in the evenings! This week has been a wonderful blessing to students and leaders alike, and we ask for continued prayer as we continue to worship God in this way!

Leadership Retreat

Please continue to give me insight and information on your scheduling conflicts for August 8 and 9. The applications for this retreat will be available in the Church Office Sunday, July 13. Remember, this week's trip is also only for rising freshman through rising seniors in MYF who have a passion to become consistent and involved leaders of this group. We will have a later retreat for Middle School students who have this same passion for leadership roles. Please email Kyle Kuhn, kuhn5251@gmail.com with those questions and schedule conflicts! Thank you!

UMYF Sunday: TBA
