MISSION TRIP JUNE 8-14, 2008  
NASHVILLE, TN

The mission trip so far has been a success! The youth are participating in service and doing a wonderful job painting and roofing homes in Nashville, TN. The MYF would like to ask everybody for their continued prayers and support! We are working hard and learning that service in God's name is incredibly rewarding! The youth are very excited about camp and looking forward to seeing everyone when they return home on Saturday!
