**INDIAN  
SPRINGS  
STATE PARK  
YOUTH  
CAMP  
JULY 6-12**

We are all signed up and ready to go! The students and the leaders are getting very excited to go to Indian Springs and worship God in this week-long camp extravaganza! We are currently taking 60 people to camp, and more forms are coming in daily!

Continued prayer for this week would be greatly appreciated, we are still in need of some staff help, and would love to take a few more students on board! All are welcome to join us as we experience this week's theme, *"One Fish, Two Fish: Becoming Fishers of Men"*

## **Leadership Retreat**

UMYF will be starting up a new form of student leadership. All students will be invited to attend a leadership retreat in **August**. Students who are interested should begin praying that God will open them up to the challenging call of leadership among their peers. Also, parents of interested students should become dedicated to prayer for their ambitious children. This will be an exciting retreat where students will discover not only their spiritual gifts and who they are as leaders, but their place here in God's world!

**More details to come.**

**Don't forget: UMYF this Sunday! Snack dinner will be provided!  
Invite your friends and we will have a fun evening of great fellowship!**
